## Master Lock Combination Instructions

1. Copy your desk number and lock combination to a secure location that you will have access to.
2. Turn the dial three times to the right, then stop when the first number lines up with the indicator.
3. Turn the dial to the left one full turn (the first number in the combination passes the arrow), continue turning until the second number in the combination is beneath the arrow.
4. Turn the dial to the right, stopping when the third number in the combination is beneath the arrow.
5. Pull the lock shackle to open.
